Results 2020

Results 2020

The Ice House Winery

Summary of the results of the wine(s) presented to the Monde Selection International Wine Contest 2020 by The Ice House Winery.

Product	Results
Northern Ice Vidal 2016	GRAND GOLD
Signature Series Vidal 2017	GOLD

Medal:

- Bronze Medal: the wine obtained a result between 80% and 82%.
- Silver Medal: the wine obtained a result between 82% and 85%.
- Gold Medal: the wine obtained a result between 85% and 92%.
- Grand Gold Medal: the wine obtained a result between 92% and 100%.

No medal:

- The wine obtained a result equal or over 80%. However, due the European regulations on the wine contests, the wine is not included among the 30% of the presented wines that have obtained the best results.
- The wine obtained a result less than 80%.

Eliminated:

- The wine has been eliminated for major defect by at least 2 members of the jury.
